DEDICATION 1983

The 1983 EDDY Staff is proud to take this moment in dedicating our 1983 yearbook to a most deserving individual. She constantly shows her enthusiasm and devotion to her fellow teachers and her students. Rarely is she seen without a smile and a hello.

Within the seven years at EHS she has taught English 9, Mass Media, Leap Reading, Advanced Composition, and Rocket Racket. She has been actively involved with Speech and Drama.

Her constant warmth and kindness has led many students in the correct path. Because of her undying dedication we the EDDY Staff, with love and appreciation, offer this 1983 EDDY to Mrs. DeKraai as a token of our thankfulness.

FUTURE STARS OF E.H.S.

The eighth grade this year had a lot to look forward to. They got to march for their first halftime show, march in parades, and participate in homecoming week. They were seen the first week of school trying to find their classes even after the second bell; but after the second week they had their schedules down and they were in the swing of things. Their eighth grade year will stay in their minds for a long time because of the excitement and all of the embarassing things that have happened to them; but before they know it they will be freshmen.

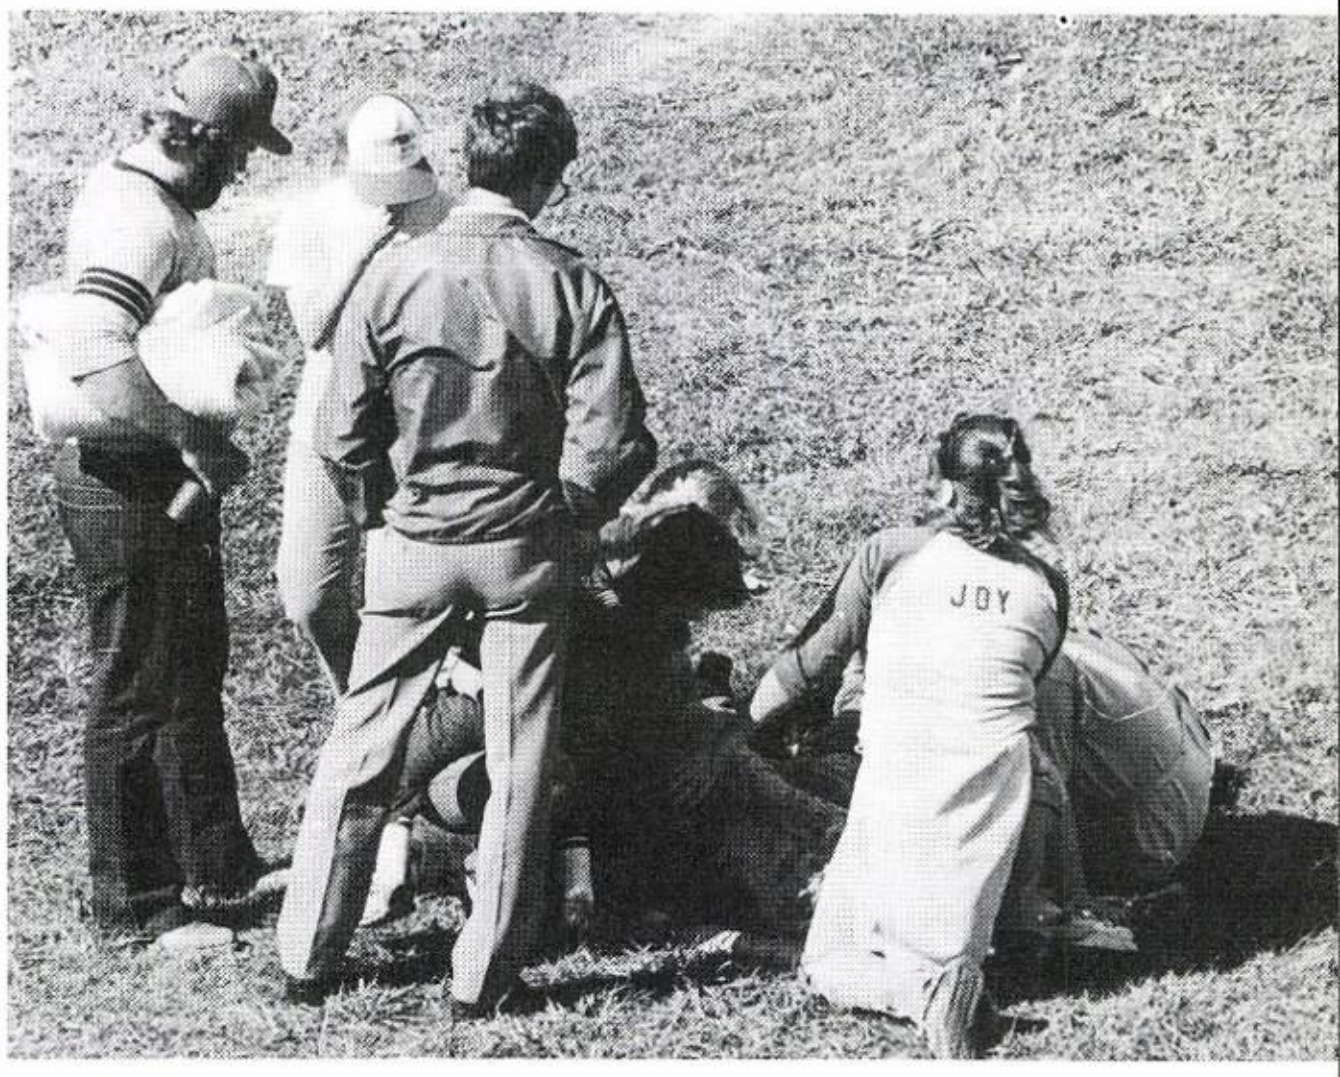
HOMECOMING ACTIVITIES



This year homecoming was a great event—zany in every way. All the students participated in activities such as the Almost-Anything-Goes-Day, Dress-Up Day, Crazy Day, Black and Gold Day, and Etc. Etc. And then finally to end the week the parade and the football game. Once again this year the yearbook staff is honored to record such a memorable event.

The varsity football team consisting of 31 players, had an overall record of 3-6. They were seen after school practicing for their games that a lot of people came to see. Although all their games didn't turn out as they planned, our guys and coaches can at least say they gave it their best shot.

Through the season, the team did have a few rough times at practice and games, but they pulled through just like any other group or organization would do. With hard work and determination our guys learned the meaning of teamwork.

This year's EDDY Staff worked many long and hard hours to bring you precious memories of this school year. We hope you enjoy it as much as we have enjoyed putting it together. So in conclusion we the staff would like to thank the students, administration, and faculty for your photos; without you this book would not be a success.
